Bottlekeep,

Sophia's is passionate about fine whiskey. We love researching it, talking about it, pouring it and of course... drinking it!

Sophia's Bottle-keep program features over two dozen stunning whiskeys from across the globe. All bottle purchases come served with crystal glassware, speciality ice and complimentary mixers.

If left unfinished, your bottle will be tagged and stored securely in one of our 60 purpose-built bottle cabinets, ready for your next visit to Sophia's.

Bottle-keep systems originated in Japan, where customers would buy a bottle to drink with friends, but then have it stored for their next visit. The practice has since expanded across the globe.
